

Governor's Outstanding Unit Award

Also awarded in the past as The Governor's Outstanding Unit Award (CAOUA). The Governor's Outstanding Unit Citation is intended to foster unit morale and to provide incentive and Esprit de Corps by recognizing those units which distinguish themselves by outstanding achievement clearly and distinctly above that of similar units of the National Guard. Only 10% of the units assigned to the California Air National Guard may be recognized during the qualifying year by this unit award. Subordinate units will not share in this award.
